Re: Request for Proposal for Data Warehouse Services

Dear Mr. Weatherup:

On January 13, 2012, the State Employees Benefits Committee voted in favor of awarding the Data Warehouse Professional Services contract to Thomson Reuters, effective July 1, 2012, pursuant to the terms listed in the Request for Proposal and based on the recommendation of the Proposal Review Committee.

We thank you again for your time during the RFP and interview process and extend our congratulations to the Thomson Reuters team. We are excited to continue to work with you!

As we discussed yesterday, Ms. Laurene Ehemann, RFP and Contract Coordinator, will be working with you to begin drafting the contract and coordinating projects as we move forward with our transition to our new consultant, The Segal Group.

Respectfully,

/Brenda Lakeman, Director
Statewide Benefits
